

Fig. 3 is a schematic diagram of a device 10, shown in a cross-sectional view. The device 10 includes a substrate 19. A layer 20 is disposed on the substrate 19. A layer 26 is disposed on the layer 20. A layer 28 is disposed on the layer 26. A layer 30 is disposed on the layer 28. The layer 30 is shown with a hatched pattern, indicating a specific material or structure. The layer 20 is also shown with a hatched pattern. The layer 26 is shown with a hatched pattern. The layer 28 is shown with a hatched pattern. The substrate 19 is shown with a hatched pattern.
